Community Resilience Extension Works Contract agreement

Name: Yurub Ali Warsame

Contact: Mobile: 090-7520039

Designation: Community Resilience Extension Works

Project: BRCiS III

Location: Qansaxle

Task Dates: From 1st August 2025 to 31th March 2026

1. Main Responsibilities & Tasks

Scope of Work

CREWs will:

- Conduct regular mentoring sessions with CRCs (monthly or bi-weekly, as required).
- Facilitate on-the-job coaching during community activities and meetings.
- Guide CRCs in strategic planning, resource mobilization, and community engagement.
- Support CRCs in conflict resolution and inclusive decision-making.
- Monitor CRC activities and provide feedback for continuous improvement.
- Assist CRCs in documentation and reporting of activities and lessons learned.

Roles and Responsibilities

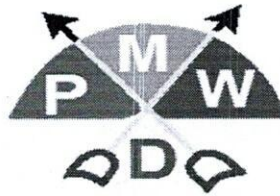

Community Resilience Workers (CREWs):

PAID

- Serve as primary mentors and coaches for the CRCs.
- Ensure CRCs operate in line with project goals and community needs.
- Provide tailored support to individual CRC members based on capacity gaps.
- Report progress and challenges to project management or the facilitating organization.

Methodology

- **Coaching Tools:** Use of participatory approaches (e.g., role plays, peer-to-peer learning, community mapping).
- **Documentation:** Maintain a mentoring logbook and coaching checklist.
- **Feedback Mechanisms:** Regular feedback sessions with CRCs and community members.
- **Evaluation:** Periodic review of CRC performance indicators.
